## Thank You

As part of my role on the William Penn Advisory Board, I had the opportunity to help hand out the goody bags for finals for the students. On Friday, April 29, we started at 10:30 AM and it didn't take long for word to get around campus to the students to pick up a goody bag. They were absolutely thrilled to receive it and very happy for the contents inside including the \$5.00 bill. Whomever purchased all the contents and generously gave the money, please be sure to tell them thank you. Also, to those that help put the bags together and the well wishes from Central Church, I can assure you it was greatly appreciated. Thank you kindly for making an impact with the students — Sandy Bailey

## Financial Update as of 4/30:

	Offering YTD	Actual Expenses
General Fund	\$167,169	\$152,486
Benevolent Fund	\$36,818	\$44,246

The church remains in good financial standing. Thank you for your continued generosity. We have been able to be generous beyond the 2022 budget. The deacons have approved supporting another missionary family, we sponsored a Blessman Gala table, and we helped Penn students. A new sound board system will be installed in the sanctuary soon as well. These opportunities were made possible by additional tithes and gifts at the end of 2021 that were not able to be reflected in this year's approved budget. God has been so faithful to meet our church's financial needs in the midst of Covid and economic uncertainty and while we take steps in faith to separate from the RCA.
